EDUCATION

- **Charotar University Of Science and Technology** — Changa, India
  Bachelor of Technology in Computer Science and Technology; CGPA: 8.96 — *Oct. 2020 - Present*

- **Bright Junior Science College** — Modasa, India
  Higher Secondary Education; Percentage: 66.15 — *Aug. 2018 - March 2020*

- **Prarthana Global School** — Modasa, India
  SSC; Percentage: 81.16 — *March 2018*

PROFILE LINKS

- **Codechef**: anand95374, Max Rating: 1702 (3*)
- **Leetcode**: theanandppatel, Solved 200+ Problems
- **Github**: theanandppatel

SKILLS SUMMARY

- **Programming Languages**: C, C++, Javascript, Python, SQL
- **Web Development**: Reactjs, MongoDB, Express.js, Node.js, Next.js, HTML, CSS, Bootstrap, Tailwind CSS
- **Cloud**: AWS, Azure • **Languages:** Gujarati, Hindi, English
- **Soft Skills**: Team Work, Time Management, Problem Solving, Communication

EXPERIENCE

- **Tatvasoft** — Ahmedabad, India
  React Developer — *May 2023 - Jun 2023*
  As a React Developer intern, I contributed to the development and enhancement of an interactive online bookstore, leveraging React and related technologies to create an intuitive and responsive user interface for an immersive shopping experience.

- **BrainyBeam Technologies Pvt. Ltd** — Ahmedabad, India
  Machine Learning Intern — *Jun 2022 - Jul 2022*
  As a machine learning intern, I created and implemented algorithms for Twitter sentiment analysis, extracting valuable insights from user sentiments to enhance brand perception and user engagement.

PROJECTS

- **Onstore (E-commerce Website)** — Github
  A Next-js ecommerce website through which user can able to buy Fashion, Electronics, Home Furnishing, Grocery, Beauty and Personal Care products. In this project I have used technologies like NextJS, TailwindCSS, ExpressJS, NodeJS, MongoDB

- **Memes WebApp** — Github
  Developed a meme app using Next.js and Chakra UI, leveraging the power of server-side rendering for efficient and dynamic content delivery. Implemented intuitive user interfaces and responsive designs to enhance the user experience.

- **iNotes** — Github
  iNotes is a cloud-based personal notebook that lets you write your notes and keep them safe and secure for all your lifetime. Project is designed on MERN Stack Technology

ACHIEVEMENTS

- Earned an **AWS Certified Cloud Practitioner** badge
- Earned an **Microsoft Certified Azure Fundamentals** badge
- Got Selected in **Amazon ML Summer School 2022**
- Secured **11th** Position in Codepie 2.0(Coding Competition) among 170 teams
- Global Rank **154** Codechef Starter 12 (Div. 3)
